

1 now at this point, Counsel. It's two minutes before
2 11:00, just want to remind you of that.

3 MS. WONG: Yes. Can I have my two minutes?

4 MR. EGGER: You have a minute and a half now.
5 I don't mean to be silly, but I've been clear, and the
6 deputy chief does need to get going.

7 MS. WONG: Absolutely.

8 Q Just one last question, does the Pomona Police
9 Department training instruct officers that California
10 law on deadly force is now different than the Supreme
11 Court standard in Graham?

12 MR. EGGER: Calls for speculation, assumes
13 facts not in evidence, calls for a legal conclusion and
14 argumentative.

15 THE WITNESS: Not that I know.

16 MS. WONG: Okay. With that, we can release
17 you now.

18 MR. EGGER: Thanks.
