Good Evening Everyone,

Just a reminder that the L.A. North Chapter meeting is tomorrow at Domenico's Restaurant in Monrovia at 6:00pm. I have attached the agenda which has additional information on the meeting location. Please let me know if you have any questions or would like to add something to the agenda. I have also attached the bill analysis on AB 392. provide by PORAC. Also, if you look under the opposition piece, we are woefully lacking letters from our associations. PORAC has 920+ affiliates and I think we got less than 5% of our associations to write in opposition to this bill. We really need to get our Association's to send letters in.

I have attached the AB 392 opposition sample letter.

Respectfully,

Max Gonzalez, President
L.A. North Chapter, PORAC
