**Subject:** AB 392  
**Importance:** High

Chiefs,

I have been receiving continual updates from Jim Smith and Bob Guthrie and I have to tell you that our time is now. I am asking that each and every one of you call your assembly member immediately and express your opposition to AB392. We cannot delay, and we cannot sit idly by. Please reply to me once you have made contact with either your city's actual member, or a member of their staff. This is crucial so that I can report to Tony Rice all of the contacts that have been made. I'm told that this bill may hit the floor anytime between tomorrow and Tuesday of next week. I will update you immediately with any information that comes out in the hours and days that follow. If you get any specific info on how your assembly member is voting, or something else that may sway their vote, I need to know.

Make the calls and reply back to me via this email with the results. Our men and women in blue deserve it.
