YES
ON
PROP 10

**Restore the rights of local communities
to set fair limits on rent increases.**

Proposition 10 will end state restrictions on what local cities can do to end the housing crisis and start making housing affordable by repealing the Costa-Hawkins Rental Housing Act of 1995.

This will result in:

Less homelessness by stabilizing rents for families and keeping them in their homes

Less displacement by protecting families threatened with skyrocketing rent

Safer, stronger and more **stable communities**
