

Did You Know?

Extra \$150 Million Coming to 50 LAUSD Schools!

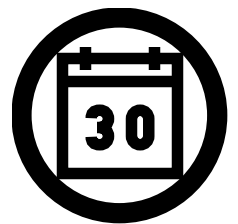

Beginning in 2017-2018, new funds are being distributed to 50 middle and high schools in LAUSD over 3 school years.

The 50 schools were selected using criteria such as the number of high-need students, math scores, suspension rates, foster youth, and homelessness rates.

These funds must be invested in resources and programs that support low-income students, English Learners, and foster youth.

Use it or Lose it: Schools must spend all the funds received in the first two years of the settlement by June 30, 2019.

Schools have already submitted their spending plans for the 2017-18 and 2018-19 school years, BUT schools may submit amendments.
