Attached you will find a legal opinion on AB392, the new legislation on use of deadly force. The opinion is prepared by The Law Office of Ferguson, Praet, and Sherman, who are the creators of Lexipol. They are also the attorneys who represent the Sheriff's Department in the areas of CPRA's, Pitchess Motions, and some miscellaneous civil matters. Please take a moment to read the attachment. It should help us to understand how we will be impacted by this law.
