Subject: AB 392 Analysis

Attachments: AB 392 Change Analysis.docx

Let me know if this was not what you were looking for. I really don't want to guide the interpretation of the new standard. I simply put what the current code reads and what the bills will add/change. If you want to make changes, let me know and I'll send you the live link to do so. Don't make them on this copy.
