**Directions:** Briefly describe, if applicable, the services being provided that are aligned to the District's LCAP goals and indicate the amount of School Innovation Funds that support those services. Specify the targeted subgroup(s) as low-income students, English learners, RFEPs, and/or foster youth. **NOTE:** A minimum allocation of School Innovation Funds must be used for professional development activities in English language arts and mathematics, and at a minimum School Innovation funds must be used for improving school climate utilizing a required staffing level. **Please see the SIF Planning and Guidance document to import appropriate staffing levels into the plan.**
### Description of Services that address:

**100% Graduation**

*Budgeted priorities should be based upon the school's analysis of the following disaggregated data of low-income, English learners, RFEPs, and foster youth:*

- Graduation rate
- Percentage of high school students on-track for A-G with a "C"
- Percentage of students with an Individual Graduation Plan meeting

---

According to LUSD focus, 81% of seniors are not missing any courses needed to graduate as of fall 2018. 67% of seniors have met all graduation requirements. 14% of all students are off track in social sciences. 38 Newcomer 10th graders enrolled in 2017-2018, 40% of the class of 2020 is on track to graduate. According to MyData, 57% of students of all grade levels are on track to graduate as of fall 2018. According to the California Dashboard, 73% of all students graduated in 2018, which is an increase of 6.2%. 65.6% of English Learners graduated, which is an increase of 7.7% from the year prior. 74.5% of Socioeconomically Disadvantaged students graduated in 2018, which is a 6.6% decrease from the prior year. 74.4 of Hispanic students graduated which is a 3.9% decrease from the prior year.

**2019-2020 SPSA Goals -**

- In order to move from orange in the 2nd column to orange in the 3rd column we will maintain our 73% Graduation Rate on the California Dashboard in 2020-2021 for all student groups.
- In order to move from red to yellow on the Graduation California Dashboard by 2020-2021, the CDAGS graduation rate for English learners will increase by 2% from 65.6% to 67.6%.

#### Professional Development Teacher X-time
Addresses the 10% required PD Allocation

Time will be set aside for Teacher Led Professional Developments and Collaboration time in the following strategies and instructional practices:
- Interdisciplinary project-based learning
- Integration of interactive technology
- Critical media/21st Century Literacy skills development
- Content area and academic vocabulary instruction
- Participatory Action Research (student inquiry)

PD X time is essential to meeting the graduation goals in that it gives teachers collaboration time to work on Career Pathway Projects, Service Learning in their A-G courses, and support students to meet graduation requirements.

EL Goals -
- School's Measurable Objective - By June of 2020, the CDAGS reclassification rate will increase by 2%, from 16% to 18%. We did not set the goal to increase by 5% to reach the LAUSD Benchmark of 22% because over 50% of our ELs are currently at ELPAC Level 1.
- ELPAC Improvement Goal - CDAGS will increase the percentage of students scoring well developed (Level 4) on ELPAC by 5% from 9.2% to 14.2% (# of ELs 144, 78 newcomers, 42 LTELs)

Teacher Assistant (3) - Teacher assistants directly support student mastery of standards and learning targets. They are assigned to rooms to support students with language needs and assigned to math classes to provide direct support in Algebra 1 to ensure student foundational understanding of math.
- Assist students with diverse needs and academic backgrounds in multiple subjects to ensure A-G progress
- Encourage students to stay focused on challenging tasks

## HAWKINS HS - Critical Design and Gaming School

- Facilitate Spanish speaking students' collaboration with peers
- Work one on one with individuals, small groups, and by leading learning stations.
- Assist students in organizing their time and materials
- Learn about students' assets and help them connect to extracurricular and support systems
- Make referrals to school counselors and psychologists when students appear unwell
- Participate in community building circles and restorative justice circles
- Participate in school-based professional development
- Provide tutoring on early release days

| Classroom Size Reduction Math Teacher - Through the additional math CSR teacher we are able to provide an Algebra 1 tutorial lab which students who are below grade level in math are assigned as 9th graders. This supports proficiency for all as it keeps all math class sizes down to ensure support for mastery of math standards and works to ensure all students are at grade level math by the end of their 9th grade year. |
