Subject: Re: Amador County PRA Request (1709)

Michelle;
Amador County Probation (Amador County) does not have/run a juvenile detention facility. We contract with other county facilities for our juvenile detention needs.

As an FYI for you and in an effort to maybe save you some work on your end, there are other counties in California who are similar in that they do not have/run juvenile detention facilities. I think the number is up to nine now...maybe more?

Take care,
Mark
