Good Afternoon Mr. Kysel,

I've attached our response to your PRA request regarding records related to employee use of chemical agents. Gathering and reviewing these records will involve the same people who are already working on the room confinement PRA the ACLU submitted last month. Therefore, we anticipate completion of this request to take at least 180 days (November 18, 2018). We'll contact you on or before August 18, 2018 to provide an update on the project.

Sincerely,
