

CARRP Process at HQ

- CARRP cases should be reported biweekly to RAD HQ SVPI
- CARRP external vetting does NOT just entail conducting security checks, such as IACs
- HQ external vetting includes:
 - checks against other data systems
 - consultation with law enforcement or intelligence agencies; review by FDNS, DHS I&A, USCIS leadership

— For Official Use Only —

CARRP Examples

Remember: Officers can always exercise discretion to review a case for HQ CARRP Vetting
